

La Specialista

By combining decades of experience, established coffee know-how and Italian passion, De'Longhi is the leader in Espresso Coffee Makers*.

Created for the passionate espresso drinker, La Specialista is the new De'Longhi domestic pump espresso machine for great espresso-based coffee drinks from the comfort of your home.

Four innovative technologies make the process more streamlined and personalised, while preserving the hands-on creativity and satisfaction of brewing authentic espresso.

* Independent research institute, value sales leader from Jan to Dec 2017 in 47 countries.
